

STALLION PROGENY LIST

COMPILED FROM

THE INTERNATIONAL CASPIAN STUD BOOK

Updated July 2017

Key to symbols following the name of the horse:

* Foundation stock (found in the wild or in an environment outside of organized breeding with one or both parents unknown, adopted after rigorous evaluation) ;

+ Died

Where an 'X' precedes the registration number of the horse this indicates that the sire was not licensed at the time of conception (see Rules of Registration).

Anyone finding errors or omissions in this publication should first contact the original registering member society. Approved amendments will then be made in the International Caspian Stud Book.
